St Senan's Cloghroe National School

Our Mission:

Cloghroe National School, with an enrolment of over 520 pupils, is situated in a beautiful rural location approximately 10km from Cork City. Traffic congestion at peak times has always caused difficulties. With new housing developments expected and an ever increasing population, ensuring safe access to our school is of paramount importance. Funds raised from "Cloghroe Goes to Broadway" will primarily go towards improving parking facilities and road safety measures. Your support will improve the safety of our pupils and that of the wider community for many years to come.

Payment Details:

- Bank: AIB, 26 Patrick St.
- Account Name: Cloghroe Primary School Development Fund
